CASE NO. 6:16-CR-00022-RC

**ORDER ADOPTING THE MAGISTRATE JUDGE'S
REPORT AND RECOMMENDATION**

The court referred a petition alleging violations of supervised release conditions to the Honorable K. Nicole Mitchell, United States Magistrate Judge, at Tyler, Texas, for consideration pursuant to applicable laws and orders of this court. The court has received and considered the Report of the United States Magistrate Judge filed pursuant to such order, along with the record and pleadings.

At the close of the revocation hearing, U.S. Magistrate Judge K. Nicole Mitchell recommended:

1. that the court find that the Defendant violated the third allegation in the petition that he failed to follow a standard condition of release;
2. that the Defendant's supervised release should be revoked pursuant to 18 U.S.C. § 3583; and
3. the Defendant should be sentenced to a term of 18 months of imprisonment, which shall include 147 days of unserved community confinement and run concurrent with the revocation sentence imposed in Case No. 1:12-CR-3, with no supervised release to follow.

Neither party has filed objections to Judge Mitchell's Report and Recommendation. Accordingly, the findings of fact and conclusions of law of the magistrate judge are correct and the report of the magistrate judge is **ADOPTED**. It is therefore

ORDERED and **ADJUDGED** that the petition is **GRANTED** and Glynn Martin Derrick's supervised release is **REVOKED**.

Judgment and commitment will be entered separately, in accordance with the magistrate judge's recommendations.

So **ORDERED** and **SIGNED** this **6** day of **March, 2017**.
